

# CITY OF MOORE

301 N. BROADWAY | MOORE, OKLAHOMA 73160  
CITYOFMOORE.COM

A PROGRESSIVE CITY COMMITTED TO A QUALITY COMMUNITY

2024 | ISSUE 6

Enjoy one of the largest fireworks show in the state with food trucks, vendors, live music, and activities throughout the day. Activities include inflatables, helicopter rides, children’s tent (free activities), and much more.

**When:** Thursday, July 4 from 2-10 p.m. Fireworks show at approximately 9:45 p.m. and will be set to music. Radio signal FM 89.7 should carry the music if you are watching from outside of the park.

**Where:** Buck Thomas Park, 1903 NE 12th St.

The park is free to enter; for a list of activity prices, visit [cityofmoore.com](http://cityofmoore.com).

**Bands:**

- 3-3:45 p.m. - G4 Guitar School
- 4:30-6:30 p.m. - The Broadcasters - Cover Band
- 7:30-9:45 p.m. - Jason Young Band - Country/Rock Band

**Permitted Items:**

- Chairs
- Service Animals (no other dogs allowed)
- Umbrellas
- Coolers\*
- Strollers

\*Coolers and bags may be searched by event security and Moore Police personnel.

**Prohibited Items:**

- Alcoholic beverages unless provided by on-site approved city vendor
- Glass containers of any kind
- Drug Paraphernalia / Weapons
- BBQ Grills
- Pets (Dogs not allowed in park during event.)
- Fireworks

Pet waste contains high levels of nutrients, particularly nitrogen and phosphorus, which can negatively impact water quality. When pet waste enters water bodies such as lakes, ponds, or creeks, it contributes to nutrient loading, leading to eutrophication.

Excessive nutrients can stimulate the growth of algae, leading to algal blooms that deplete oxygen levels in the water when they decompose. This decrease in oxygen can harm aquatic life, causing fish kills and disrupting the balance of the ecosystem.

Additionally, pet waste can introduce pathogens and bacteria, posing risks to human health. Picking up pet waste is important for maintaining water quality and ecosystem health.

Since taking office, the City Council and I have been hard at work addressing key issues and implementing positive changes. One of our major focuses has been on infrastructure improvement. Currently, the bid letting for the 4th Street Railroad Underpass will be August of 2024. The design phase has started for the GO Bond projects approved in 2023. We anticipate the design phase will last between six and eighteen months. These projects will enhance our city's transportation network, making it even easier for residents to navigate our streets.

In addition to the infrastructure projects, I am excited to invite you all to join us for the July 4th celebration at Buck Thomas Park. This year's event promises to be a memorable one, with live music, food vendors, and a spectacular fireworks display. It will be a fantastic opportunity for us to come together as a community and celebrate our nation's independence.

I am grateful for the trust you have placed in me to lead our city, and I am committed to working tirelessly to ensure that Moore continues to thrive. I encourage you to engage with your city's leadership. You can find our contact information on the city's webpage, [cityofmoore.com](http://cityofmoore.com).

Thank you for your continued support, and I look forward to the exciting times ahead.

  
Mayor Mark Hamm
