## CITY OF MOORE, CITY HALL RENOVATION

301 N Broadway Ave, Moore, OK 73160

### Project Description:

The project scope of work consists of renovating portions of the 1<sup>st</sup> and 2<sup>nd</sup> floors of the existing City Hall Building. 1<sup>st</sup> Floor includes new finishes within the limits of work for new flooring and wall finishes, full restroom renovation, adding a secure entry to the north office area, and a new permit / clerk area. 2<sup>nd</sup> Floor includes new finishes within the limits of work for new flooring and wall finishes, full restroom renovation, and adding a secure entry to the north and south office areas. The scope of work also includes new finishes and railing for the main stairway, addressing the water damaged area in the main entry atrium area, providing a turn-key bid for the FFE package, and providing Alternate 01 for all new hardware for the remaining portions of the building.
